ABOUT USA TODAY® PUZZLERS

USA Today® Puzzlers are a brand new set of challenges brought to you by the writers of the daily USA Today® puzzles. One side of each card features an Up & Down Words™ puzzle, while the flip side has a Quick Cross™ puzzle. You can go through the whole deck doing each Up & Down and then flip the cards and complete the set of Quick Cross puzzles OR you can do both sides of each card and alternate your puzzle solving fun.

Important Note: You will need to keep the entire deck of cards in the cardholder so the deck's height reaches the solving window. It is best to slide out a completed card and place it in the back of the deck, then move on to solve the next card.

HOW TO PLAY

UP & DOWN WORDS™

Look at the clue to solve #1. The second part of the answer to #1 is the first part of the answer to #2 and so on. The answer can be found at the bottom of the card. Simply slide the card up slightly to view the answer.
